EVENTS THAT TRANSFORM

Advancing Healthcare Through Engaging Events

Where Innovation Meets Impact

In the medical and healthcare sector, events are more than professional gatherings, they are platforms for discovery, collaboration, recognition, and transformation. From high-profile research launches and clinical symposiums to hybrid conferences and gala fundraisers, Encore delivers high-impact experiences that reflect the precision, innovation, and humanity of the industry.

Whether it's a medical research unveiling, a multi-stream health summit, or a gala, Encore's end-to-end event production ensures every detail is executed with technical excellence and creative purpose.

Conferences, Symposiums & Meetings

Connecting Global Audiences with Clarity and Care

In today's healthcare landscape, conferences and medical meetings—especially in hybrid formats—play a critical role in fostering collaboration across geographies and disciplines. Encore supports these engagements with secure streaming, multilingual captioning, and interactive tools for Q&A, polling, and document sharing. Whether it's a keynote on cancer survivorship or a panel on public health policy, our technology ensures every voice is heard and every insight shared.

Encore's expertise spans multi-day summits, clinical workshops, and strategic planning sessions. We deliver robust AV setups, coordinate breakout rooms, and enable real-time collaboration to ensure seamless communication. Our hybrid solutions allow for both in-person and remote participation, promoting inclusivity and engagement across healthcare teams.

“From custom LED screen solutions to discreet AV integration, our team ensures clarity, accessibility and impact, whether the audience is in-room or online.”

Galas & Fundraisers

Highlighting Causes with Style and Substance

Healthcare milestones deserve to be celebrated. Encore designs gala dinners, award nights, and fundraising events that honour achievement and inspire generosity. From immersive styling and intelligent staging to cinematic storytelling and live entertainment, we create experiences that resonate emotionally and professionally.

Whether it's a hospital foundation gala or a medical school anniversary, our team brings creativity and precision to every detail, ensuring the celebration is both memorable and meaningful.

Content Creation Services

Bringing Healthcare Events to Life Through Visual Storytelling

Encore's content creation services enhance the visual and narrative impact of healthcare and medical events. We produce multimedia assets including promotional videos, event logos, branded presentation templates, and highlight reels. Our creative team collaborates with clients to ensure that every piece of content aligns with the event's objectives and brand identity.

Why Healthcare Organisations Choose Encore

Expertise across formats: From research launches to hybrid summits, Encore's versatility ensures excellence across all event types.

Technical precision: Crystal-clear audio, seamless live feeds, and immersive visuals are standard in every production.

Creative excellence: Our event design, staging, and storytelling elevate healthcare events into transformative experiences.

End-to-end solutions: Logistics, AV, content production, and audience engagement - all managed by one trusted partner.

Live Streaming into Hospitals

Extending Access and Engagement Across Clinical Settings

Encore offers secure and reliable live streaming capabilities directly into hospital networks. This enables medical professionals to participate in conferences, training sessions, and research presentations without leaving their facilities. Our streaming solutions are compliant with healthcare data standards and support interactive features such as live Q&A and feedback collection.

Medical Gala Ball

Encore partnered with Peter Jones Special Events to deliver the spectacular 'Epworth Glam' Gala Ball for 1,200 guests at Crown Melbourne's Palladium. The event celebrated Epworth HealthCare's legacy with dazzling entertainment, immersive styling, and seamless technical execution. From bold lighting to elegant staging, Encore's in-house team transformed the ballroom into a glamorous, high-impact experience. With performances by Ajaye and Mike Snell, and stunning visuals captured by Andrew Hobbs Photography, the evening was a masterclass in creative collaboration. The result? A flawless fusion of healthcare prestige and event brilliance that left guests inspired and energised.

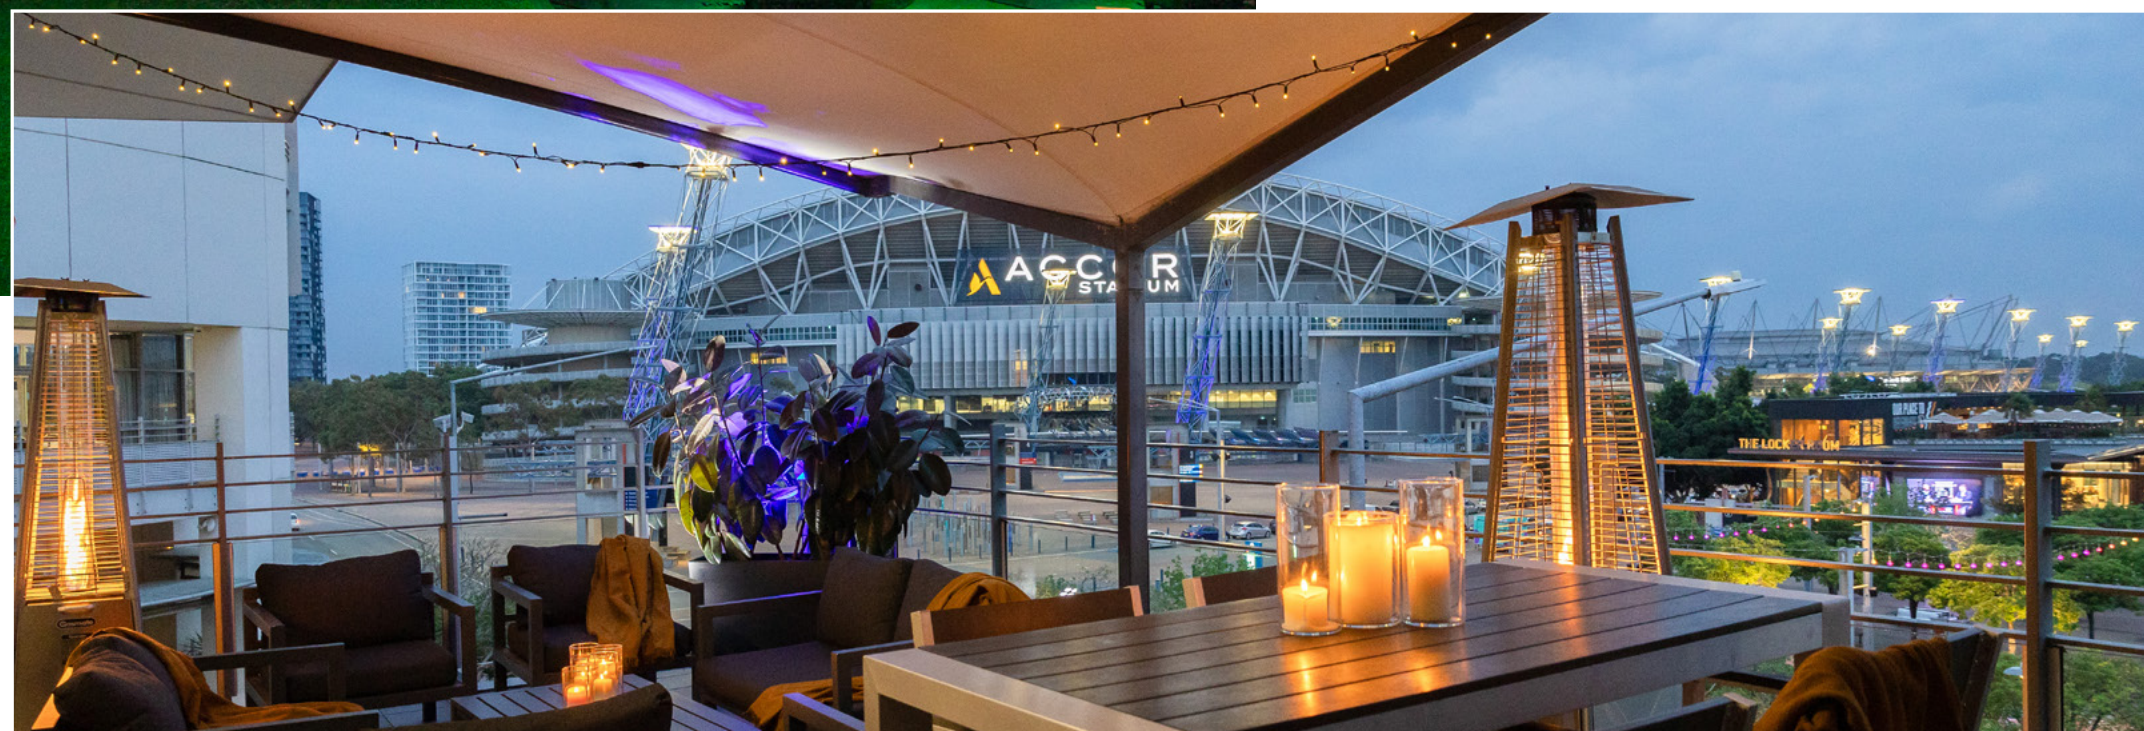

Two Day Annual Summit

Encore delivered a showstopping two-day summit for a leading medical services company at Mercure Gold Coast Resort, hosting 175 clinical and business leaders. Under the theme 'Momentum', the event featured an Amalfi Coast-inspired welcome, a theatrical masquerade gala, and a retro 70s lunch - all seamlessly produced by Encore. The team delivered a rapid transformation of the conference space into a gala dinner in under two hours. From immersive styling to flawless technical execution, Encore's team brought energy, elegance, and precision to every moment - making the summit a benchmark for healthcare event production.

Hearing Australia Conference

Encore delivered a powerhouse production for Hearing Australia's 2024 Annual Conference at Novotel Sydney Olympic Park. Inspired by AFL and NRL finals, the "Kicking Goals in 2024" theme came to life through creative staging, vibrant lighting and sports-themed styling. The team transformed the venue from a sleek daytime conference into a high-energy awards night, complete with goalpost entrances, astro turf décor and interactive games. Delegates dressed as sporting icons and danced to Jellybean Jam's live set. Despite tight turnaround times and a packed venue, Encore's team showcased agility and flair, ensuring a seamless and unforgettable experience for all.

“Enchanted Garden” Themed Gala

Guests were transported to a whimsical fantasy land at the InterContinental Sanctuary Cove Resort for National Dental Care’s gala dinner. Encore transformed every corner of MacArthur’s Ballroom into an enchanted garden, complete with a 4.5-metre artificial tree at its centre. Branches draped in soft green leaves stretched over tables, while gobo lighting cast magical shadows throughout the room. Teal lighting echoed the brand’s colours and enhanced the immersive atmosphere. Interactive elements added surprise and delight at every turn. Attendees were captivated, with guests praising the event as “an enchanted kingdom where every glance revealed a new wonder.”
